Mother tells her of trip to earth 16 years ago where she met william (her birth father) its why she cant turn, until she kills him

goes to earth to
search for birth
father to kill him
and fix the curse

finds her father
after weeks of
searching in
New York,
Brookyn

Skyler tranformed into a human body , tries to change to dog again.stuck with dog head, goes back to dogforia

finds father (royal ) killing him in his wolf form

Hurt, scared. angry, clueless to what to do

sent to dopertar (neighbouring abandoned planet for exhile) after her father keith exhiles her from dogforia for being a bastard child and emabarrment

alone depressed scared full of hate

Skylar has to transform into aplha in order to become a leader....fails

Angry. Loss of identity, confused

scared, curious, anxious curious scared . happy

sad,confused,angry

Royal family trad party for eve of child 16th bday Goal: To kill birth father to take her rightful throne in dogforia

Motivation: Feel accepted by society
